

NATEC USB Charger Ribera GaN USB- A+USB-C Power Delivery 45W white

Model: NUC-2142

Manufacturer: NATEC

EAN: 5901969444230

Product Code: 653222

R838

The Natec Ribera power adapter is designed for reliability and efficiency, utilizing GaN technology for a compact yet powerful charging solution. With a power output of 45 W, it provides versatile voltage options ranging from 5 to 20 V, allowing for compatibility with various devices. This wall charger features multiple output connector types including a 4-pin USB Type-A and a 24-pin USB-C, enabling simultaneous charging of up to two devices.

Safety is paramount with the Natec Ribera, equipped with essential protections against short circuits, overheating, overvoltage, and overcurrent. It supports multiple fast charging technologies, ensuring rapid power delivery to devices from brands like Huawei, Samsung, and others. Whether at home or in the office, this adapter meets the USB-A and USB-C requirements, making it an indispensable tool for the modern user.
