

NATEC USB Charger Ribera GaN USB- A+USB-C Power Delivery 65W white

Model: NUC-2144

Manufacturer: NATEC

EAN: 5901969444254

Product Code: 653223

R959

The Natec Ribera power adapter provides reliable charging solutions for devices. With a power output of 65 watts, it operates within a voltage range of 5 to 20 V, making it compatible with various gadgets. This wall charger features GaN technology to enhance performance while minimizing bulk, allowing for a compact design ideal for home and travel use. The adapter accommodates two output connections, including a 4-pin USB Type-A and a 24-pin USB-C, enabling the simultaneous charging of multiple devices. It supports various fast charge technologies, including Huawei Fast Charge and Quick Charge 3.0, ensuring quick and effective power delivery to compatible devices. Safety is prioritized with integrated short circuit protection, overheat protection, overvoltage protection, and overcurrent protection, providing consumers with peace of mind while charging their devices.
