

LANBERG AD- 0010-BK adapter HDMI F DVI-D M 24+1 Dual Link

Model: AD-0010-BK

Manufacturer: LANBERG

EAN: 5901969421521

Product Code: 653334

R542

The Lanberg AD-0010-BK is a video adapter designed to connect devices using HDMI and DVI interfaces. With a left connector type of 24+1 pin digital DVI and a right connector type of 19-pin HDMI Type-A, this adapter transmits video at Full HD 1080p resolution. The sturdy thumbscrews ensure a secure connection, minimizing the risk of signal interruptions during use.

This video adapter features a male DVI connector on the left and a female HDMI Type-A connector on the right, making it a versatile choice for various setups. It supports dual link TMDS links, allowing for higher performance and better video transfer. The Lanberg AD-0010-BK is an essential accessory for anyone looking to bridge the gap between DVI and HDMI devices efficiently.
