The Lanberg CA-HDMI-11CC-0050-BK is designed to enhance your audiovisual experience with its features. This HDMI cable with Ethernet supports high-definition resolutions up to 4K, allowing for brilliant visuals and detailed picture quality. With its 19-pin HDMI Type-A connectors on both ends and a robust plastic jacket, this cable ensures durability while delivering excellent performance. Equipped with Audio Return Channel (ARC) technology, CEC 2.0 support, and the capability to handle 3D content over HDMI, this cable is suitable for modern home theater setups. The 30 AWG construction with copper/copper-clad steel conductors ensures efficient signal transmission, making it a reliable choice for connecting your devices seamlessly.
