The Lanberg CAT 5e patch cable offers a reliable connection for your network needs. With its UTP technology and snagless design, this cable minimizes the risk of interruptions, ensuring stable performance. Measuring 200 cm in length, it features male RJ-45 connectors on both ends, making it compatible with a wide range of networking devices. Its PVC jacket provides durability, while the American Wire Gauge (AWG) of 26 contributes to efficient data transmission at frequencies up to 100 MHz.
