

LANBERG PCU6- 10CC-0500-S Patchcord RJ45 cat. 6 UTP 5m grey

Model: PCU6-10CC-0500-S

Manufacturer: LANBERG

EAN: 5901969406269

Product Code: 653384

R545

The Lanberg patch cable is designed to provide reliable connectivity in various networking environments. Featuring a CAT 6 category, this UTP cable supports a tested frequency of up to 250 MHz, making it suitable for a range of applications, from home networks to office setups. Its snagless design helps prevent cable damage and ensures seamless data transmission without interruptions. With both ends equipped with male RJ-45 connectors, this cable allows for easy Plug-and-Play installation. The PVC jacket material adds durability, while the 24 American Wire Gauge (AWG) ensures optimal performance. Enjoy the convenience of length indication, aiding in organizing and managing cable runs efficiently, making this patch cable a practical choice for dependable network connectivity.
