

LANBERG NC- 1000-02 Adapter Lan Card USB Typ-C 3.1 - RJ45 1GB on Cable

Model: NC-1000-02

Manufacturer: LANBERG

EAN: 5901969418712

Product Code: 653406

R744

The Lanberg NC-1000-02 is a compact USB-C 3.1 network adapter designed for precision and efficiency. This external device features a sturdy 15 cm integrated cable, enabling easy connection to various devices while utilizing 1000Base-T technology for rapid data transmission. With multiple data link protocol support including Ethernet, Fast Ethernet, and Gigabit Ethernet, it ensures versatile performance for all your networking needs. Additionally, the adapter is USB-powered, eliminating the need for external power sources. Its Wake On LAN (WOL) capability allows for convenient remote management, making it suitable for both personal and professional use.
