

LANBERG fiber optic patchcord MM LC/UPC- LC/UPC duplex 3m LSZH om3 50/125 3.0mm aqua

Model: FO-LULU-MD31-0030-TQ

Manufacturer: LANBERG

EAN: 5901969433357

Product Code: 653440

R663

The Lanberg FO-LULU-MD31-0030-TQ patch cable is designed for reliable high-speed data transmission in fiber optic networks. This OM3 compliant cable features LC/UPC multi-mode connectors on both ends, allowing for seamless connectivity. With a core diameter of 50 micron and cladding diameter of 125 micron, the cable supports duplex mode for efficient data transfer. Its low smoke zero halogen (LSZH) jacket material ensures safety in confined spaces by reducing harmful emissions in case of fire. Operating effectively between -40°C to 85°C, this cable is suitable for various environments, making it a versatile choice for networking needs.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
