

LANBERG Fiber patch panel 24XSCDX/24XLQD Rack 19inch

Model: FOP1-24SD-LQB

Manufacturer: LANBERG

EAN: 5901969430646

Product Code: 653451

R1,116

The Lanberg 24-port fiber patch panel is designed for organization and management of fiber optic cabling. It accommodates both SC duplex and LC quad connections, making it versatile for networking needs. Constructed from durable steel and ABS plastic, this patch panel offers robustness while maintaining a lightweight profile for handling.

This rack-mountable patch panel is equipped with numbered ports for straightforward identification, streamlining the installation process. It comes with everything necessary for setup, including screws, cable glands, cable ties, a tray holder, and a splice cassette, providing a complete solution. With a height of just 1 rack unit, it fits in standard 19-inch racks, optimizing space while enhancing connectivity options.
