The Lanberg rack shelf offers reliable storage for your 19" equipment within 450/600 mm deep cabinets. This fixed shelf features a robust 4-point fixation system, ensuring items remain securely in place during use. Designed for side mount installation, the shelf occupies just 1 rack unit of space, making it a practical addition to any server or equipment rack setup. Its solid construction and thoughtful design make it a choice for organizing and accessing equipment conveniently.
