1003-B fixed
shelf 19 800mm
1U/465x500mm
max load
capacity up to
20kg black**

Model: AK-1003-B

Manufacturer: LANBERG

EAN: 5901969403602

Product Code: 653504

R869

The Lanberg rack shelf is designed for efficient organization in a 19-inch rack system. This fixed rack shelf provides stability, making it suitable for various applications. The side montage feature allows for easy integration into existing setups, while its robust construction supports a weight limit of 120 kg, ensuring that even heavy equipment can be safely stored. With a height of 1 rack unit, this product optimizes space utilization within the rack, allowing for better airflow and accessibility. Constructed with high-quality materials, the Lanberg rack shelf offers durability and reliability. Its compatibility with standard rack sizes ensures versatile installation in different environments. This rack shelf is a solution for those looking to streamline their workspace and maintain a neat, organized system without compromising on support.
