

i-tec Universal Intelligent Dual Display Docking Station + Power Delivery 100W

Model: CAINTGDUAL4KDOCPD

Manufacturer: I-TEC

EAN: 8595611707490

Product Code: 653793

R4,189

Experience a breakthrough in docking technology with a high-performance, universal docking station designed for full remote management. Thanks to its dedicated LAN port, IT administrators can control the dock from anywhere — even down to individual port-level management. The remote management software is available as an optional add-on and can be purchased at any time. Of course, the docking station operates at full functionality even without it; the only limitation is the absence of remote management features. And best of all – Manageability works without a host connection — just power and LAN required.

A powerful office docking station supporting super-fast USB Gen 2 ports with fast charging. Dock supports output to up to two external monitors in up to 4K high resolution. The dock can be used with virtually all notebooks as it supports connection to all common ports: USB-A, USB-C, USB4 and Thunderbolt” 3/4/5, while supporting all common current operating systems.
