

NATEC wireless laser presenter Warbler 2 grey

Model: NWL-2311

Manufacturer: NATEC

EAN: 5901969449280

Product Code: 653950

R886

The Natec WARBLER 2 remote control is designed for functionality and ease of use, making it an essential tool for presentations and meetings. With a rechargeable 300 mAh battery, the remote ensures uninterrupted usage. The built-in laser pointer enhances presentations, making it easier to highlight key points, while the compact design includes eight buttons for easy navigation through slides or content. Wireless connectivity is seamless with the choice of 2.4 GHz and Bluetooth 5.2 technology, offering reliable performance at a maximum operating distance of 10 m. Whether for educational settings or corporate environments, the Natec WARBLER 2 remote control provides a convenient way to engage an audience while ensuring users maintain control from a distance.
