

LANBERG rack Power Distribution Unit PDU 19inch 1U 10A 6x French outlets 2m black

Model: PDU-06E-0200-IEC-BK

Manufacturer: LANBERG

EAN: 5901969441833

Product Code: 653952

R867

The Lanberg PDU-06E-0200-IEC-BK power distribution unit offers reliable power distribution with a sturdy aluminum housing. Designed to be rack-mountable, it fits into standard 19" racks making it ideal for various setups. With a length of 2 m, the integrated power cable provides ample reach for your equipment. This unit supports a maximum load of 2500 W, ensuring that all connected devices receive sufficient power. The surge suppression feature protects sensitive equipment from voltage spikes, while the built-in fuse provides circuit protection for added safety. Enjoy quick and efficient power delivery with a surge response time of 25 ns, making it a practical choice for both commercial and home applications.
