

AOC CU34E4CV 34inch UWQHD VA 120Hz 21:9 2xHDMI 2.0 DP 1.4 USB-C

Model: CU34E4CV

Manufacturer: AOC INTERNATIONAL

EAN: 4038986112864

Product Code: 653993

R8,610

This 34-inch curved desktop monitor is suitable for workflows and entertainment. It has a native resolution of 3440 x 1440 and an image contrast ratio of 3500:1, providing vibrant colors and detail. The anti-glare coating ensures comfortable viewing, while the 1500R screen curvature improves your field of vision, making it practical for multitasking or gaming.

Equipped with features such as Flicker-Free technology, Anti-Blue Light technology, and Eye comfort mode, this monitor emphasizes your eye health during extended use. Connectivity options include HDMI, DisplayPort, and USB-C, along with a built-in USB 3.2 Gen 1 hub and Gigabit Ethernet adapter for smooth integration with devices. Ergonomic adjustments including tilt, swivel, and height options allow for personalized comfort, assisting in creating an optimal workspace.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
