

LANBERG CA- USBA-15CU- 0030-BK cable USB 2.0 AM-BM with ferrite 3m black

Model: CA-USBA-15CU-0030-BK

Manufacturer: LANBERG

EAN: 5901969429909

Product Code: 654996

R555

The Lanberg USB cable provides reliable connectivity solutions between various devices, ensuring efficient data transfer. With a transfer rate of up to 480 Mbps, this USB cable supports data-intensive tasks. Designed with a ferrite core and shielded technology, it minimizes interference and enhances transmission quality, making it suitable for a variety of applications.

Featuring a 4-pin USB Type-A connector on one end and a 4-pin USB Type-B connector on the other, both male, this cable is built to last. Its nickel-plated connectors ensure durability and consistent performance, while the plastic shielding further enhances longevity. This USB cable is compliant with RoHS standards, ensuring it meets environmental regulations.
