ISEASY MGBG-603 gas hob with 3 burners (white)

The IsEasy MGBG-603 gas hob with a glass panel is an elegant and functional hob designed for cooking in the home kitchen. Equipped with three heating zones with a total power of 3.3 kW, 2.7 kW, and 1.75 kW, it allows for fast and efficient cooking. The use of modern technology and high-quality materials makes the appliance safe, durable, and easy to maintain.

Speed and efficiency

With 3.3 kW, 2.7 kW, and 1.75 kW of power in each heating zone, the IsEasy MGBG-603 hob provides the right performance for preparing a variety of dishes, from frying to high-heat cooking. It is ideal for quickly boiling water, frying meat, and cooking dishes that require high temperatures. The power control allows you to precisely adjust the intensity of the heat to your cooking needs.

Three cooking zones

The hob is equipped with three heating zones, which provides greater flexibility in the kitchen. You can cook in several pots at the same time, with each zone having individual power control, allowing you to conveniently and efficiently prepare several dishes at once. This ensures that the hob delivers excellent performance even under heavy load.

Elegant and easy-to-clean panel

The glass panel of the IsEasy MGBG-603 gas hob is not only elegant but also very practical in everyday use. Thanks to its smooth surface, the hob is easy to keep clean. Simply wipe it with a damp cloth to remove food residue, grease, and dirt, allowing you to keep your kitchen clean quickly and easily.

Complete cooking comfort

Installing the IsEasy MGBG-603 hob is quick and easy thanks to the included installation instructions. The appliance is intuitive to use – just press and turn the knob to start the flame and then adjust its intensity. As a result, cooking is quick, convenient, and hassle-free.
