The DICOTA SEEKER II is an efficient notebook carrying backpack designed for comfort and functionality. With a capacity of 23.5 liters, this backpack comes equipped with multiple compartments, including specialized spaces for a cellular phone, tablet, and essential documents. The lockable zips ensure safety for your belongings while the reflective elements add visibility during low light conditions. The padded back and adjustable padded shoulder straps offer comfort for all-day wear, making it suitable for daily commutes or travel. This backpack is made from durable 1680D rPET polyester and features YKK zippers, ensuring longevity and reliability. The fitall system allows for versatile storage, accommodating notebooks sized between 13 inches and 16 inches. The SEEKER II backpack integrates practicality and style, providing a thoughtful design for modern users who need to carry their tech safely and conveniently.
