

ICY BOX IB- PS111-PD Universal Black AC Indoor

Model: IB-PS111-PD

Manufacturer: ICY BOX

EAN: 4250078173793

Product Code: 655910

R1,562

Charging Intelligence Automation

Step into next-gen charging. Our chipset powered by Charging Intelligence Automation (CIA), tunes into your device's needs, adapting continuously. Experience a revolution in device care, where intelligent design meets unparalleled safety, ensuring that every charge is as efficient as it is secure.

Smart Power Selection

Charge smarter, not harder. With Automatic Optimal Charge Selection, power up to 65 W fine-tunes to your device's exact needs. From phones to notebooks, keep everything charged and prepared. Experience genuine innovation, as every charge cycle becomes an effortless of precision and performance.

Unified Power and Convenience

Harness the force of 65 W USB Power Delivery 3.0, flowing through a seamlessly integrated cable.

Redefining convenience and efficiency, the design ensures rapid charging tailored to your device's
