

NATEC NSD-0954 Docking Station KANGAROO Sata 2.5/3.5inch HDD USB 3.0 + AC adapter

Model: NSD-0954

Manufacturer: NATEC

EAN: 5901969407891

Product Code: 657037

R984

The Natec Kangaroo HDD docking station offers a practical solution for data transfer and storage management. With support for both 2.5" and 3.5" hard drives, this device provides convenient top-accessible expansion bays that simplify the connection process. The integration of a SuperSpeed USB cable allows for efficient data transfer rates up to 6 Gbit/s, ensuring quick access to files when needed. This docking station is designed with the user in mind, featuring hot-swappable capabilities for easy drive swaps, complying with Plug-and-Play functionality for seamless operation. This device is well-suited for anyone looking to enhance their storage options without the complexities of installation.
