

NATEC LAN Adapter USB-C 3.1 > 1x RJ45 1GB

Model: NNC-1925

Manufacturer: NATEC

EAN: 5901969434903

Product Code: 657046

R757

The Natec Cricket is a versatile network adapter that simplifies connectivity with its Plug-and-Play functionality. Featuring an integrated form factor with a compact length of 15 cm, it provides effortless setup and operation. Designed for wired connectivity, it supports data transfer rates of up to 1 Gbps, ensuring fast and efficient performance for various networking needs. With gold plated connectors and robust aluminum housing, this adapter offers durability and reliability in every connection.

Supporting multiple data link protocols, including Ethernet, Fast Ethernet, and Gigabit Ethernet, the Natec Cricket accommodates a wide range of networking environments. It features a single RJ-45 connector type, compatible with 10/100/1000 ports, making it an adaptable solution for both home and office networking tasks. Experience seamless and efficient network connectivity with the Natec Cricket adapter.
