

HP EliteBook 8 G2i Intel Core Ultra 5 325 14inch 32GB 512GB W11P 3YW

Model: DG0L8AT#ABB

Manufacturer: HP INC.

EAN: 826581033240

Product Code: 657480

R68,914

The HP EliteBook 8 G2i Notebook Next Gen AI delivers a powerful computing experience designed for productivity and efficiency. It features an impressive 1920 x 1200 LED display with IPS technology, ensuring vivid visuals and an anti-glare finish for comfortable viewing. The laptop is equipped with a rapid SSD, supporting NVMe Express (NVMe) for quick data access and storage performance, making it an ideal choice for professionals on the go. This notebook is fortified with security measures, including HP Automatic Drive Lock and a chassis intrusion sensor, which help protect sensitive information and enhance data security.

With a 5 megapixel webcam and AI noise reduction, the device is designed for seamless video conferencing and collaboration. It also includes a range of connectivity options, featuring multiple USB-C ports, USB4/Thunderbolt 4, and HDMI, ensuring compatibility with various external devices.

The spill-resistant HP Premium keyboard and multi-touch ClickPad provide a comfortable and
