

HP EliteBook 6 G2i 16 AI Intel Core 7 350 16inch 32GB 512GB W11P 3YW

Model: DX9U8AT#ABB

Manufacturer: HP INC.

EAN: 826581831785

Product Code: 658168

R58,093

The HP EliteBook 6 G2i Notebook AI combines robust performance with innovative features, making it an ideal choice for professionals seeking reliability and efficiency. Equipped with a Core 7 processor featuring six cores and a maximum turbo speed of 4.8 GHz, this notebook ensures smooth multitasking capabilities. The 6 MB L3 cache enhances response times, while the AI noise reduction technology in the audio input ensures clear communication during video calls.

The display offers a native resolution of 1920 x 1200 with IPS technology and anti-glare features, optimizing the viewing experience in various lighting conditions. Additionally, the notebook includes a dual stereo speaker setup, enhancing multimedia enjoyment. With advanced security features such as a fingerprint reader and HP Sure Platform, users can feel confident about data protection while enjoying the convenience of a spill-resistant keyboard. This device is ENERGY STAR certified, ensuring efficient power consumption, making it a suitable choice for environmentally conscious
