

HP EliteBook 6 G2a NGAI AMD Ryzen 5 230 14inch 16GB 512GB W11P 3YW

Model: DP4P8AT#ABB

Manufacturer: HP INC.

EAN: 826581361749

Product Code: 658212

R42,694

The HP EliteBook 6 G2a Notebook offers a powerful and efficient mobile computing experience, featuring a responsive AMD Ryzen 5 processor with 6 cores and a maximum turbo speed of 4.9 GHz. This notebook ensures smooth multitasking with 16 MB of L3 cache memory and a 256 GB SSD, providing ample space and speed for demanding applications. The vibrant 15.6-inch WUXGA display delivers stunning visuals with a native resolution of 1920 x 1200, complemented by anti-glare technology for reduced eye strain. Equipped with advanced features like an IR camera for Windows Hello, this notebook prioritizes security and ease of use with HP Fast Charge, enabling quick recharges to keep up with busy schedules.

For enhanced connectivity, the device includes USB4/Thunderbolt 4/DisplayPort 2.1 and USB 3.2 Gen 1 ports, making it versatile for various peripherals. The spill-resistant keyboard and multi-touch

ClickPad add to the functionality while ensuring durability in any environment. With a host of
