R2,490

The Gembird UPC-5004E-SO bulk cable is designed to provide reliable connectivity with the features of CAT 5e technology. This solid UTP cable is crafted with a 24 American Wire Gauge for performance, making it suitable for various network applications. Additionally, the REELEX package ensures hassle-free dispensing, keeping the cable tangle-free and easy to manage. Constructed to meet ISO 9002 and RoHS standards, this cable complies with quality and environmental regulations, ensuring that you make a responsible choice in networking solutions.
