

MIKROTIK wAP ax Access point wAPG- 5HaxD2HaxD Wi-Fi 6 RouterOS L4

Model: WAPG-5HAXD2HAXD

Manufacturer: MIKROTIK

EAN: 4752224009180

Product Code: 659037

R2,422

The MikroTik wAP ax is a robust and reliable wireless router designed for performance in various environments. With an operating temperature range of -40°C to 70°C, this device ensures consistent connectivity even in challenging conditions. Equipped with both wired and wireless connectivity options, it supports multiple data link protocols including IEEE 802.11ax (Wi-Fi 6) for enhanced efficiency. Whether used in a desktop setup or for broader network requirements, the wAP ax features a 2-port switch and Power over Ethernet (PoE) capability for versatile installation options. The device supports dual Wi-Fi bands of 2.4 GHz and 5 GHz, allowing for data rates of up to 574 Mbps on 2.4 GHz and 2400 Mbps on 5 GHz, optimizing performance for various applications. With a focus on durability, it boasts an MTBF of 100,000 hours, ensuring long-lasting operation suitable for demanding network environments. Enhanced management features like voltage monitoring and temperature monitoring for both CPU and PCB contribute to its reliability, making the MikroTik wAP
