

GEMBIRD Height adjustable TV floor stand with caster wheels 60-100inch

Model: TVS-100T-02

Manufacturer: GEMBIRD

EAN: 8716309129060

Product Code: 659275

R5,495

The Gembird AV cart is a robust solution designed to enhance your presentation and viewing experiences. Constructed from durable steel, it supports large displays from 60" to 100" and up to 100 kg in weight, making it suitable for a wide range of environments, from conference rooms to educational settings. It features height and tilt adjustments, allowing for the perfect viewing angle, while the integrated cable management system keeps cables organized and out of sight. Mobility is made easy with lockable wheels, ensuring stability and ease of movement across various surfaces. Additionally, the cart includes a convenient shelf for storing AV equipment or presentation materials, further enhancing its utility. Compliant with ISO 9002, RoHS, and Triman standards, this cart not only meets high-quality expectations but also adheres to environmental and safety regulations. Whether for professional presentations or educational purposes, the Gembird AV cart offers a versatile, reliable, and efficient solution.
