

LANBERG fiber optic patchcord MM LC/UPC- LC/UPC duplex 1m LSZH om4 50/125 3.0mm violet

Model: FO-LULU-MD41-0010-VT

Manufacturer: LANBERG

EAN: 5901969433371

Product Code: 660381

R629

The Lanberg patch cable ensures reliable fiber optic connectivity with OM4 compliant standards. This multimode cable features LC/UPC connectors on both ends, providing efficient data transmission for various applications. With a bending radius of 7.5 mm, flexibility and durability are key attributes, making it suitable for tight spaces while maintaining high performance.

Crafted from Low Smoke Zero Halogen (LSZH) materials, it enhances safety during installation and use. Supporting a wide operational temperature range from -40°C to 85°C, this cable is ideal for diverse environmental conditions. Its duplex mode and halogen-free characteristics enhance its sustainability and usability in various settings.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
