

LANBERG fiber optic patchcord MM LC/UPC- LC/UPC duplex 2m LSZH om4 50/125 3.0mm violet

Model: FO-LULU-MD41-0020-VT

Manufacturer: LANBERG

EAN: 5901969433388

Product Code: 660382

R675

The Lanberg FO-LULU-MD41-0020-VT patch cable is a solution for high-speed fiber optic networking. Designed with OM4 compliant standards, this multimode cable offers data transfer capabilities, ensuring efficient and reliable communication. It features LC/UPC connectors on both ends, designed for seamless connectivity, while the tight buffered and aramid yarn construction provides durability and performance. This cable can withstand extreme temperatures, ranging from -40°C to 85°C, making it suitable for various environmental conditions.

In addition to being halogen-free, the jacket material is Low Smoke Zero Halogen (LSZH), ensuring safety in case of fire. With a bending radius of 7.5 mm, the cable is flexible yet robust, allowing for easier installation in tight spaces. The design is complemented by compliance with multiple
