

LANBERG fiber optic patchcord MM LC/UPC- LC/UPC duplex 10m LSZH om4 50/125 3.0mm violet

Model: FO-LULU-MD41-0100-VT

Manufacturer: LANBERG

EAN: 5901969433401

Product Code: 660383

R782

The Lanberg FO-LULU-MD41-0100-VT patch cable is designed for performance with its fiber optic technology. This multimode cable features a bending radius of 7.5 mm, making it flexible while ensuring durability. Constructed with Low Smoke Zero Halogen (LSZH) materials, it is ideal for environments where low emissions of smoke and toxic fumes are critical. With LC/UPC multi-mode connectors on both ends, it provides reliable connectivity and efficient data transmission. Operating effectively in temperatures ranging from -40°C to 85°C, this cable meets various compliance standards such as RoHS and Directive 2011/65/EU, ensuring it adheres to environmental regulations. The cable is designed in duplex mode and features a core and cladding diameter of 50/125 microns, suitable for high-speed networking applications.
