

LANBERG adapter USB-C M USB-A F 2.0 0.15m OTG black

Model: AD-OTG-UC-01

Manufacturer: LANBERG

EAN: 5901969424430

Product Code: 660436

R530

The Lanberg USB-C adapter is an essential accessory designed to enhance connectivity options. This USB 2.0 On-The-Go compliant adapter features a male USB-C connector on one end and a female USB Type-A connector on the other, allowing for seamless connection between devices. With durable construction, this adapter ensures reliable data transfer and device compatibility for various applications.

In addition to its functionality, the adapter adheres to EMC and RoHS compliant standards, providing a safe and environmentally friendly solution for users. Ideal for those looking to connect USB Type-A peripherals to USB-C devices, this adapter simplifies the way you connect and transfer data, making it a valuable addition to any tech setup.
