

# i-tec MYSAFE Advanced 3.5" USB 3.0

Model: MYSAFE35U401

Manufacturer: I-TEC

EAN: 8594047319918

Product Code: 661188

## R1,030

The ADVANCE Series is the highest level of i-tec accessories bringing you the cutting edge technologies of products with a modern design and exclusive packaging.

USB 3.0 Advance Black HDD is an external case for all 3.5" SATA I, II, III hard discs. The USB 3.0 connection offers you a quick and easy data transfer (up to 5 Gbps) but the device is backward compatible with standards USB 2.0/1.1 as well. The solid aluminium construction ensures an effective heat dissipation and hard drive protection.

A small stand is included in the package so that you can have the case in vertical position and save place on your table.

HDD installation is very simple, it takes you just few minutes.
