

ELGATO

Facecam MK.2

Model: 10WAC9901

Manufacturer: CORSAIR

EAN: 840006669227

Product Code: 661541

R3,958

The Elgato Facecam MK.2, brought to you by CORSAIR, redefines the standards of high-quality streaming and recording. This webcam, designed for content creators who demand high performance, combines advanced technology with ease of use. With its USB-C connectivity and USB 3.0 interface, it ensures a reliable, high-speed connection to your setup, eliminating the frustrations of lag or delay.

The Facecam MK.2 stands out with its STARVIS sensor and HDR capability, delivering vivid colors and exceptional clarity in any lighting condition. Whether you're streaming in the bright light of day or the low light of evening, your video quality remains high. The camera's fixed focus and Smart DoF feature keep you in sharp relief against your background, ensuring you're always the focal point of your content.

Moreover, the Facecam MK.2 is built for performance, supporting up to 120 frames per second across various resolutions. This capability ensures your video is smooth and detailed, capturing every nuance of your expression and movement. The inclusion of innovative features like Magic AI Effects, a custom heat sink, and support for tripod mounting further enhances your streaming experience, offering both versatility and advanced technology to meet the demands of serious content creators.
