The top layer of the Genesis Carbon 500 M Fire G2 mousepad is made of fabric that ensures high precision in tracking mouse movements and reduces friction between the mouse and the surface. The Genesis Carbon 500 M Fire G2 mousepad works flawlessly with both laser and optical mice.

LOW PROFILE AND UNIQUE GRAPHICS

The Genesis Carbon 500 M Fire G2 is a mousepad with dimensions of 300 x 250 x 2.5 mm. This makes it easy to fit on your desk. Its unique graphics make it perfectly fit into any space, adding charm to your entire setup. The low profile enhances its usability and provides a sense of greater comfort.

GO FOR DURABILITY

The proper edge stitching of the Genesis Carbon 500 M Fire G2 mousepad prevents it from fraying. Furthermore, the non-slip layer on the bottom prevents it from shifting uncontrollably, ensuring that it remains in place regardless of the surface it's on.

DON'T WORRY ABOUT MOISTURE

The Genesis Carbon 500 M Fire G2 stands out with its special impregnation that makes the mousepad waterproof and resistant to moisture absorption. This not only facilitates cleaning its surface but also allows for easy cleanup in case of spills.
