R1,686

The Power Pose Mario Overnight Case is 2-in-1 for more fun! Pack your entire system inside or pull off the attached Slim Deluxe Travel Case for on-the-go gaming sessions.

The compact, yet functional design makes this carrying case the ultimate travel companion for any Nintendo Switch gamer. The Overnight Case fits a Nintendo Switch, Switch Lite, or Switch OLED Model console, the console dock, Pro Controllers, AC adapter, HDMI cords, extra Joy-Con controllers, a power bank, game cards, and other small accessories. Protect and play with the top Slim Deluxe Travel Case featuring a built-in console stand for on-the-go gaming. Customize the case with the interchangeable accessory dividers so you can store what you need, how you need it. The semi hard-shell construction makes it durable and lightweight, even with all your gaming gear inside!

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
