

Epson FX-890IIN dot matrix printer 240 x 144 DPI 612 cps

Model: C11CF37403A0

Manufacturer: EPSON

EAN: 8715946634517

Product Code: 661908

R22,058

Network dot matrix printer

Fast nine-pin dot matrix printer offering outstanding reliability and extremely low TCO, as well as network capability.

FX-890IIN

The FX-890II is a high-volume, low TCO 80-column dot matrix printer designed for fast, reliable network printing. A contemporary new design and smaller footprint make upgrading easy and add a range of new features for unprecedented flexibility.

Market-leading print speeds¹

The FX-890IIN offers an improved USD (ultra speed draft) speed of 735 characters per second at 12 characters per inch, making a real difference to high-volume print runs such as stock reports and large batches of invoices or freight documents.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Outstanding reliability

Epson's dot matrix technology is already mature and very reliable, and these new printers improve the mean time between failure by 25% to 25,000 power-on hours, ideal for challenging conditions or where regular maintenance is not practical.

Smaller footprint

Epson's new range of dot matrix printers has a refreshed design with a smaller footprint - depth has been reduced to just 320mm - making it easy to place into a business environment.

Network capability

This is a network model which supports both serial and Ethernet connections for enhanced connectivity.
