

TP-Link Omada AC1200 Wireless MU-MIMO Gigabit Wall-Plate Access Point

Model: EAP230-WALL

Manufacturer: TP-LINK

EAN: 6935364089481

Product Code: 661994

R1,940

Unprecedented Thin Design with 11mm

Omada EAP230-Wall

AC Access Point

Private Connection for Every Room.

EAP230-Wall is designed to meet every network need in environments with numerous separated rooms, like hotels, offices, and dormitories. A device in each room ensures an exclusive, high-speed Wi-Fi connection for every user.

MU-MIMO + Dual-Band: Faster Connection for More Devices

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

802.11ac wave 2 technology allows multiple users to access the internet at the same time. Speeds up to 1200 Mbps and 2.4 GHz and 5 GHz wireless bands deliver simultaneous high-speed internet access to various devices.

Seamlessly Blends with any Décor

The same size and shape as a light switch or power outlet faceplate to fit in perfectly in any room.

High-Speed Gigabit Port

Equipped with a Gigabit port to deliver the fastest possible wired transmission.

Effortless Deployment with Power over Ethernet

802.3af/802.3at PoE support means there’s no need for extra wiring. Plug in existing Ethernet cables to transmit both power and data to your APs.

Quick, Simple Installation

1.Detach and remove the faceplate of the junction box.
2.Plug an Ethernet cable in to the port.
3.Secure the Access Point to the wall using the provided screws.
4.Press the faceplate back into position.

Omada SDN—Smarter Cloud Solution for Business Networking

Omada Software Defined Networking (SDN) platform integrates network devices including access points, switches and gateways, guaranteeing powerful business network with higher efficiency, higher security, and higher reliability.

Easy Management with the Omada App
