R872

Ghost Super Plus is the universal smartphone magnetic car holder for airvent. Ghost Super Plus is the evolution of the normal magnetic car holders:

- SUPER STRONG: 6 ultra-strong magnets ensure the best grip of your smartphone on the device. 2 magnet plates included.
- SUPER THIN: the depth of 6mm and the elegant design are features that make Ghost Super Plus unique. The 360° adjustable head allows you to change the smartphone position into portrait or landscape mode.
- SUPER RESISTANT: the adjustable airvent clip through a screw allows you to use the holder with all
