Neomounts DS90-325BL1 Sit-stand workstation desk 17-32" - gas spring

Model: DS90-325BL1

Manufacturer: NEOMOUNTS

EAN: 8717371443672

Product Code: 662592

R4,101

The Neomounts DS90-325BL1 is a full motion height adjustable desk mounted workstation for screens up to 32", keyboard and mouse. The mount can support screens up to 9 kg (curved: 6 kg), while the keyboard tray can support max. 1 kg. The versatile tilt (70°), rotate (360°) and swivel (180°) technology allows the monitor arm to change to any viewing angle to fully benefit from the capabilities of the screen. The keyboard tray includes a wrist support and mouse pad for optimum comfort.

The workstation desk mount has a large height adjustability range from 44-95 cm and can be used both seated and standing. To ensure quick repositioning and the most optimal working position, the DS90-325BL1 features gas spring height adjustment for both the monitor arm and keyboard tray arm. The smart cable management system ensures orderly routing of the cables.
