ARCTIC MX-6 ULTIMATE Performance Thermal Paste

Model: ACTCP00079A

Manufacturer: ARCTIC

EAN: 4895213703918

Product Code: 665692

R716

Ensure the lowest thermal resistance with our award-winning thermal interfaces. Well known for its outstanding quality, our high-performance MX thermal compound is a regular winner in performance tests. It offers a very low thermal resistance due to its minimum bond line thickness and is easy to apply, even for beginners. Thermal pads in various designs and sizes round out the product range.
