Rugged and reliable

Carry your tablet outdoors with confidence. The rugged cover is built with military-grade (MIL-STD 810G-516.7) toughness to protect your tablet from minor drops and bumps when you are on the go.

Stable stand, comfortable grip

With the built-in kickstand on the back of the case, you can conveniently view your device in Landscape mode. It also works as a grip for carrying, ensuring that your tablet stays in your hand while you are on the go.

Keep your S Pen secure and accessible

The embedded S Pen holder is a handy addition that lets you keep your S Pen close by and easily accessible.
