Get contemporary style and abundant organisation with the 14-16" GeoLite EcoSmart® Advanced Backpack. With a clean, lightweight look, it’s ideal for professionals who want laptop protection and added organisation in a modern silhouette. Complete with a dedicated laptop compartment designed to protect laptops of varying sizes to its padded back panel, this pack delivers the ultimate in performance and comfort. Multiple zippered pockets inside and out keep you efficiently organised. Dual side pockets keep your water bottle and umbrella close at hand. You can even travel with ease atop rolling luggage with the integrated trolley strap. With its water-resistant exterior and earth-conscious interior, this pack delivers on style, functionality, and sustainability, keeping you and your gear ready for the long haul.
