R993

Everyday printing

This reliable four-colour ink series is great at printing everyday documents.

Slash ink costs

Looking for an ultra-low-cost printing solution? From the first set of ink included with the printer, you could save 90% on ink costs on average². It's not only affordable, it's impressive how many pages just one set can produce - up to 4,500 pages in black and 7,500 in colour¹.

The genuine article

Enjoy hassle-free and reliable printing with Epson's genuine inks. We invest in extensive research, high-tech manufacturing facilities and put our products through rigorous tests, to deliver the best quality product to you.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
