R5,774

This stylish, professional 4K webcam with 5x Digital Zoom and built in microphone will take your video conferences to the new level. With a 120° field of view and 5x zoom, the UC-CAM10PRO-1 provides a sensational, smooth, and detailed picture. The webcam has two built-in microphones that detect sound from up to 4 meters away, so you can be sure everyone will be heard during the meetings. This compact-size camera with a privacy cover will be a perfect match for any space - whether it's a small huddle space or meeting room. With a 14° tilt adjustment feature, the camera can be customized to fit your needs and adapt to your individual space.
