EDID emulator

Model: VLHDMICTL2

Manufacturer: VIVOLINK

EAN: 5704174984146

Product Code: 691976

R2,637

VLHDMICTL2 is a very useful HDMI EDID manager.

VLHDMICTL2 can be used to control signal resolutions and sound settings from signal sources. The settings can easily be configured via DIP switches in the front.

HDCP control via DIP switch (set unit as non HDCP compliant) can improve compatibility when several of products are connected.

The CEC pass-through can be turned on/off by DIP switch
