R4,881

Braun's PowerBlend 9 is a powerhouse kitchen performer with a sophisticated range of new technologies. Its iTextureControl lets you customize your blends from very smooth to coarse - and 18 food programs automate your texture adjustment in three effortless steps. The TriAction Technology jug delivers 60 % finer and 4x faster* blending. And you'll enjoy 1600 watts of power and up to 45,000 rpms for high quality blending results with a German- made PrecisionEdge blade that effortlessly emulsifies even the toughest ingredients.

Triangular jug

60% finer and 4 x faster. Thanks to the uniquely engineered triangular-shaped jug that ensures ingredients get redirected faster to the blending areas. "Compared to Braun JB5160.

iTextureControl

Smooth, medium, or coarse. Choose your texture preference between the 18 possible blends in 3 effortless steps. Step 1) select 1 food program, step 2) select 1 texture, step 3) press start.
