

# QNAP QNA-UC10G2T network card Ethernet 10000 Mbit/s

Model: QNA-UC10G2T

Manufacturer: QNAP

EAN: 4711103086575

Product Code: 695406

## R11,750

Enjoy stable 10GbE high-speed networking using a USB Type-C connection to greatly enhance work efficiency, even on computers without built-in network ports.

### Dual 10GbE Ports

Expand a single Type-C port into two 10GbE ports, delivering exceptional stability and flexible network configurations.

### Broad interface compatibility

The QNA-UC10G2T includes a 1-meter USB 4 cable for connecting to your computer's USB 4 or Thunderbolt™ 3/4 ports.

### Multi-system compatibility

itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Supports Windows®, macOS®, and Linux® computers (driver installation required).

### **Multi-speed support**

Compatible with various network environments through Multi-Gigabit support for 10/5/2.5/1 GbE.

### **No Fan, No Noise**

Fanless design ensures stable performance with reduced noise and maintenance, offering a quiet, reliable experience for long-term use.
