

Microconnect MC-PCIEX4- X520-DA1 not categorized

Model: MC-PCIEX4-X520-DA1

Manufacturer: MICRO CONNECT

EAN: 5715328014541

Product Code: 696826

R1,531

The Intel X520-DA1 10GbE SFP+ Converged Server NIC is a single-port, high-performance network adapter built on the Intel 82599EN chipset. Designed for data centers and enterprise environments, it supports advanced networking features, including PXE boot, and delivers reliable 10 Gigabit Ethernet over fiber with low latency and high throughput.
