Android

Model: SM-A576BZABEEE

Manufacturer: SAMSUNG

EAN: 8806099105259

Product Code: 699040

R9,703

The Samsung Galaxy A57 combines powerful performance with stunning visuals, making it an ideal choice for users seeking a reliable smartphone experience. Equipped with a 6.7-inch Super AMOLED Plus display, the device offers vibrant colors and a refresh rate of 120 Hz for smooth interactions. With a robust 5000 mAh battery supported by Samsung Super Fast Charging 2.0 technology, this phone ensures extended usage without the need for frequent recharging, allowing users to stay connected throughout the day.

Featuring a versatile camera setup, including a 50-megapixel main camera and a 12-megapixel ultra-wide lens, the Samsung Galaxy A57 captures high-quality images in various settings. The intelligent assistant capabilities of Google Gemini and Bixby enhance user experience, while the advanced security features such as Samsung KNOX and a fingerprint reader provide peace of mind. Overall, the Samsung Galaxy A57 represents a step forward in mobile technology, delivering a balanced blend of functionality, design, and performance.
