The Bosch UniversalOrbit 18V-20 random orbital sander ensures a high-quality sanded or polished finish on floors, furniture and other large flat or curved surfaces. With its powerful motor and electronic speed selection, sanding is efficient and speed can be adjusted precisely to suit a variety of different materials including wood, plaster, varnished or polished areas. The state-of-the art microfilter dust box minimises dust, ensuring a cleaner workspace and more comfortable handling. The built-in Bosch Syneon Electronic protects your tool and battery. The tool belongs to the 18V POWER FOR ALL system. One battery can be used in all 18V POWER FOR ALL tools.
